APPOINTMENT CANCELLATION POLICY

Dear Patient,

Wildwood Eyecare strives to render excellent medical care to you, your family, and all of our patients. In order to be consistent with this philosophy, Wildwood Eyecare uses an appointment system that sets aside time for a patient dependent on the patients current need. When you do not show up for your appointment or notify us of your inability to keep your appointment by phone at least **24 hours** in advance, the time that has been allotted for your visit cannot be used to treat another patient and is time lost to our office. With that in mind, an Appointment Cancellation Policy has been put into place and will be effective as of April 1, 2011.

We request that you please give our office a **24 hour notice** in the event that you need to reschedule your appointment. If a patient misses an appointment and does not contact us with at least a **24 hour notice** (during normal business hours), we consider this to be a missed appointment. (“No Show, No Call”) A **\$25.00** fee will be applied to the patient’s account. Patients will not be permitted to reschedule for another appointment until this fee is paid in full.

As a courtesy we do make reminder calls for appointments. If you do not receive your message or we have incorrect information the cancellation policy will still be in effect. If you have any questions regarding this policy, please let our staff know and we will be glad to clarify any questions you may have.

I have read and understand the Appointment Cancellation Policy of the practice and agree to be bound by its terms.
